SOAP DISH SMC

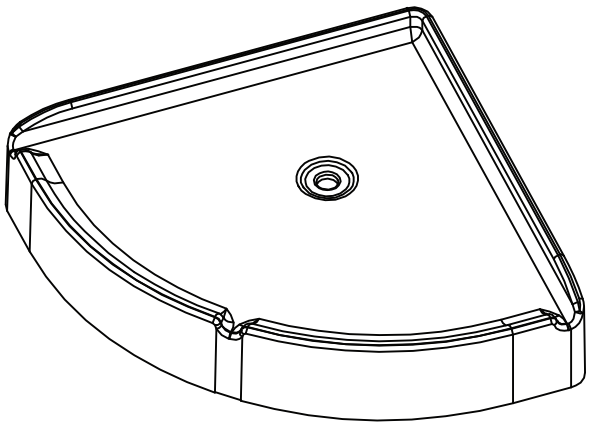

Size: 8”W x 2”H x 8”D

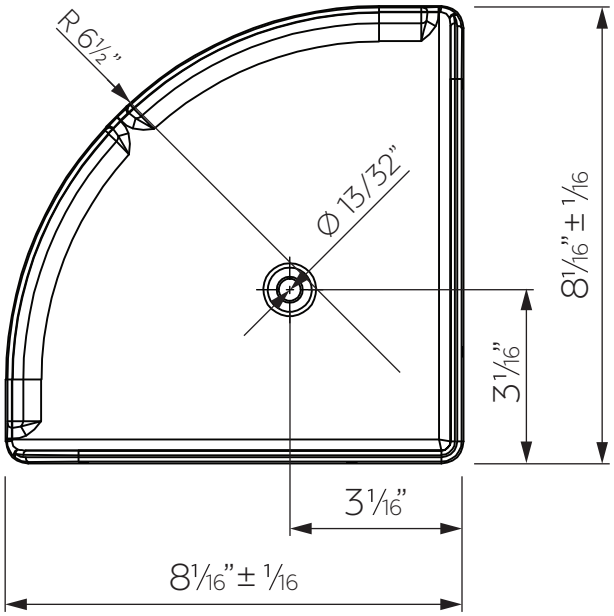

SPECIFICATIONS

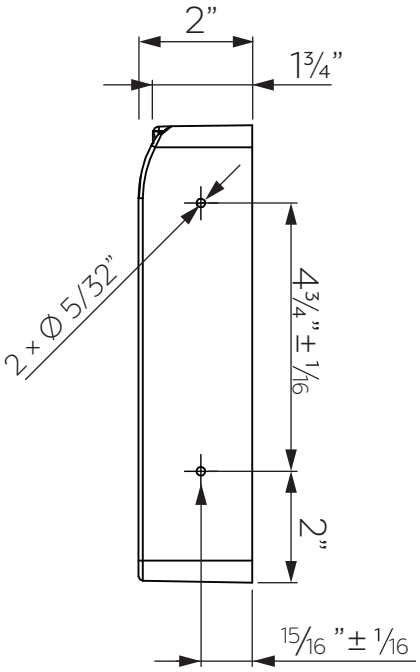

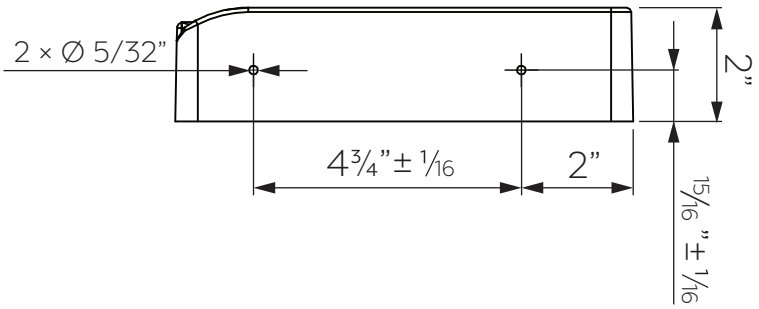

The Corner Soap Dish, crafted from durable SMC (Sheet Molding Compound), is a compact and stylish solution for shower organization. Its non-porous, waterproof design resists mold and stains, ensuring easy maintenance and lasting durability in any bathroom

Care instructions: Keep your Soap Dish looking new by wiping it after each use, cleaning weekly with a mild non-abrasive cleaner, and avoiding harsh chemicals or abrasive pads. Rinse and dry thoroughly to prevent spots, check caulking regularly, and keep the bathroom well-ventilated to resist mold and mildew.
