SHOWER NICHE SMC

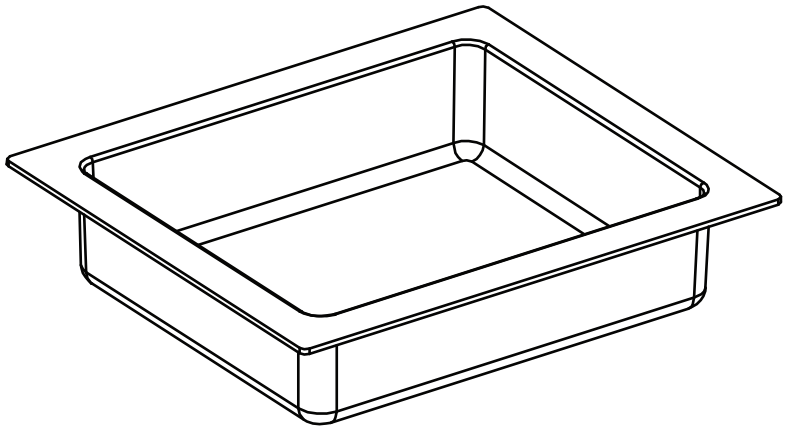

Size: 14”W x 16”H x 3½”D

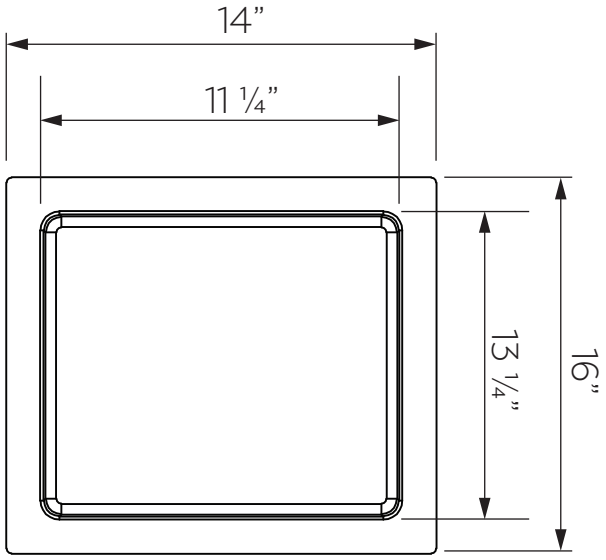

SPECIFICATIONS

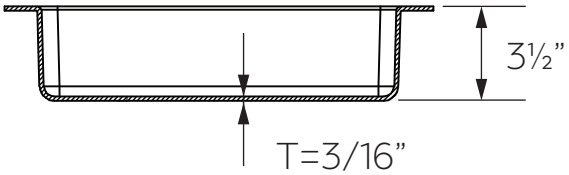

The Shower Niche, crafted from durable SMC (Sheet Molding Compound), offers a sleek, waterproof storage solution for bath essentials. Its non-porous surface resists mold and stains, ensuring easy maintenance and a modern, functional design for any shower.

Care instructions: Keep your shower niche looking new by wiping it after each use, cleaning weekly with a mild non-abrasive cleaner, and avoiding harsh chemicals or abrasive pads. Rinse and dry thoroughly to prevent spots, check caulking regularly, and keep the bathroom well-ventilated to resist mold and mildew.
